

PROTECTING OUR LEGACY & CONNECTING OUR COMMUNITY 2026 AT OUR SPIDER LAKE

Dear Neighbor,

There is a unique sense of peace that comes with the arrival of another season at Spider Lake. Whether it is the early morning calm on the water or the sound of family gathering on the dock, these are the moments that define our time here.

To ensure these experiences continue for years to come, we invite you to **renew your membership in the Spider Lake Association**. Our collective efforts are what keep this lake healthy, safe, and vibrant for every property owner.

WHAT YOUR FINANCIAL CONTRIBUTION CREATES

Our annual dues are **\$80**, which are strategically budgeted to address both the social and environmental needs of our community:

- **\$50 – General Association Fund:** This supports our operational costs, community advocacy, and our special seasonal community events.
- **\$30 – Aquatic Invasive Species (AIS) Fund:** This is a dedicated "protection fund" used exclusively for monitoring and preventing the spread of harmful invasive species, promoting responsible shoreline maintenance, enhancing out Spider Lake's clear water for generations to come

A NEW YEAR OF COMMUNITY REVITALIZATION: OUR 2026 SOCIAL INITIATIVES

We are excited to propose an expanded social calendar this year designed to help neighbors at least recognize each other around town and possibly even foster new friendships. By joining the Association, you help make these traditions possible.

- **The Annual Meeting & Potluck Luncheon (June):** Our cornerstone event to share a meal, meet and greet, do lake business, and kick off the summer.
- **The 4th of July Pontoon Parade:** A high-energy Spider Lake tradition celebrating our community and our country.
- **Fall Meeting & Potluck Dinner:** A chance to gather as the leaves change, recap the summer, and prepare the lake for the quieter months.
- **New Social ideas:** We are gauging interest in several new "Social Interest" events/groups, including:
 - **Wine Tasting Parties**
 - **Progressive Dinner Parties around Spider Lake**
 - **Mahjong Play Group**
 - **Card Playing Nights for those cozy evening gatherings**
 - **Community Picnics (casual shore-side get-togethers)**
 - **Pontoon Tie-ups Together on Spider Lake (on a sunny afternoon)**
